21) The Munsiff's reasons for claiming higher allowances are as follow:

(i) Officers in other Departments are getting more;

(ii) The allowance of Rs.50 is barely sufficient for meeting house rent and maintenance of a horse and ~~travelling~~ carriage and does not therefore fulfil the main object of ~~travelling~~ local allowance viz. the high prices of articles.

Regarding the first reason, the cases the Munsiff refers to are all of a very special kind and not parallel to his. Mr. Bowring's case is largely regulated by personal factor; the same may be said of Dr. J. Munsiff the Health Officer who, moreover, being a Sanitary Board servant cannot be compared with the Munsiff. As regards the Assistant Surgeon in charge of the Hospital it may be pointed out that

that Assistant Surgeons put in charge of Bangalore, Mysore, Kadur and Shimoga Districts get an allowance of Rs.50 and several other medical officers are getting local allowances at varying rates generally more than Rs.50 in places other than the Kolar Gold Fields. Considering that the Kolar Gold Fields is a more costly place than others and that medical officers in other places ~~were~~ are getting for diverse reasons an allowance of Rs.50, Government may have fixed Rs.50+50 or Rs.100 for the Medical Officer at the Kolar Gold Fields.

(2) As regards the Mining Assistant it has to be remembered that in his case the nature of the work and the locality are both special He has to do arduous and risky work in the mines. In the Munsiff's case the work is just the same as that of any other Munsiff and the circumstances justifying a special allowance have reference only to the locality.

(3) Regarding the second reason, it may at the outset be said that the Munsiff cannot expect to be re-imbursed in respect of the expenses of maintaining a horse and carriage by a local allowance and is wrong in imagining that they should be met out of the Rs.50 ~~extra~~ local ~~raising~~ allowance granted by Government. The

local allowance is intended to cover the expensiveness of articles and higher house rent on the Kolar Gold Fields and Rs.50 does not appear to be an insufficient amount to cover the difference of cost of living and house rent between the Kolar Gold Fields and say Bangalore (where the Munsiff does not get any local allowance at all).

For these reasons I am respectfully of opinion that a sufficiently strong case has not been made out for increasing the local allowance from Rs.50 to Rs.100.

Enclosure to "Paper under disposal".

95 These papers relate to the application of Mr.D.K. Rama Rao B.A., B.L., Munsiff and First class Magistrate, Kolar Gold Fields, praying that the local allowance now drawn by him may be increased from Rs.50 to Rs.100.

96. The present local allowance of Rs.50 was sanctioned in Government Order No.1035-6/J.2 of 1901-02 dated 20th November 1903 in view of the costliness of living on the Kolar Gold Fields. The Munsiff's reasons for claiming a higher allowance are:-

(a) the allowance of Rs.50 now being given hardly suffices for meeting the house rent and maintaining a horse and a carriage;

(b) officers of other Departments are allowed higher rates; and

(c) the increase now asked for is necessary in the interest of the prestige of the officer in whom the two offices of the Civil Judge and Magistrate are combined.

"Paper under disposal".

97. The Chief Court as well as the District Judge, Bangalore Division, support the application, the former with the observation that the additional sum of Rs.50 now asked for may be stopped as soon as proper quarters are provided for the Munsiff at Government cost.

Pages 4 & 5 of office notes.

98. The Financial Department are not in favour of granting the enhanced allowance. They note that additional work is no ground for giving local allowances and that all the circumstances of the case must be held to have been duly considered when the local allowance was first sanctioned.

Page 6 of notes — do —

29. The First Councillor is of opinion that comparing this officer with others drawing similar salary, an allowance of Rs.100 seems to be due and may be sanctioned. The Second Councillor (the late Mr. D. Devaraj Urs) agreed with Mr. Nanjundayya. The question was considered at a meeting of the Council. The Council recommend that the local allowance of the Munsiff Magistrate be increased to Rs.100 per mensem.

Page 7 of notes.

Pages 8—10 of notes.

30. The Financial Secretary however does not concur in the above recommendation and thinks that a sufficiently strong case has not been made out for the increase asked for. He observes that the cases of the officers referred to by the Munsiff are all of a very special kind and are not parallel to his case, and that the Munsiff is wrong in thinking that the cost of maintaining a conveyance should be met out of the local allowance which is intended to cover the high price of articles and higher house rent on the Kolar Gold Fields. He adds that Rs.50 does not appear to be an insufficient amount to cover the difference of the cost of living and house rent between the Kolar Gold Fields and, for instance, Bangalore where the Munsiff does not get any local allowance at all.

31. In my opinion, the Munsiff-Magistrate on the Kolar Gold Fields, who has recently been invested with first class magisterial powers, has responsible duties to perform and a status to maintain just in the same way as the Special Magistrate at that place. This is especially so now that all the Munsiffs have been ranked as graded officers. Seeing that a local allowance of Rs.150 (enhanced to Rs.300 specially in the case of Mr. Bowring) has been sanctioned to the Assistant Commissioner and First class Magistrate, Kolar Gold Fields, I think that the request of the present Munsiff-Magistrate for payment of a higher allowance than what he now draws is a reasonable one. But I am not prepared to recommend the grant of

ಕಳ58-12 13

Rs.100 as proposed by the Council. In my opinion a local allowance of Rs.75 appears to be quite sufficient and may be sanctioned.

S i r ,

In forwarding herewith in original an application from Mr. D.K. Rama Rao, Munsiff of Kolar Gold Fields, praying that his local allowance may be raised to Rs: 100/- for favourable consideration I have the honour to state that I am of opinion that Mr. D.K. md. 5 Cb. 58-124

Letter dated 5th August 1912 from the Munsiff of Kolar Gold Fields to the District Judge of Bangalore Division.

3

I beg to invite your kind attention to the amount of local allowance granted to the Munsiff, Kolar Gold Fields.

Owing to the constsnt passing of thick and unhealthy clouds of Cyanide dust and the prevalence of plague in Robertsonpet, it has become necessary to take up on high rent a separate house at Coromandel, belonging to the Balaghat Mining Company, which has necessitated the maintenance of a carriage and horse as well. The amount of Rs: 50 now allowed is hardly sufficient even to @ meet these two items of expenditure, so that it cannot fulfil the main object of the local allowance in this place, viz. the high prices of articles.

In this connection I beg to enclose for your sympathetic consideration a list showing the rates allowed to the various @ other officers in the Gold Fields, in addition to providing them with separate and comfortable houses in healthy localities. I beg to submit that it may not be fair under such circumstances to pay a local allowance of Rs: 100 to the other officers on @@ Rs: 250 and Rs: 300, and only Rs: 50 to the Munsiff Magistrate on Rs: 250 or 350 like the late Mr. D'cruz.

If you are pleased to see the reasonableness of my request, both in order to remove the hardship above explained and in the@ interest of the prestige of an officer in this place in whom the two offices of Civil Judge and First Class Magistrate are combined, may I request you to kindly support this application and recommend the matter to the Honourable the Chief Court to be @@ pleased to move the Government and obtain sanction for allowing to the Munsiff-Magistrate alsc the local allowance of Rs: 100, just as in the case of other officers on Rs:250 or 300.
